GLOBAL PASS OUTS

Your Journey, Perfectly Planned.

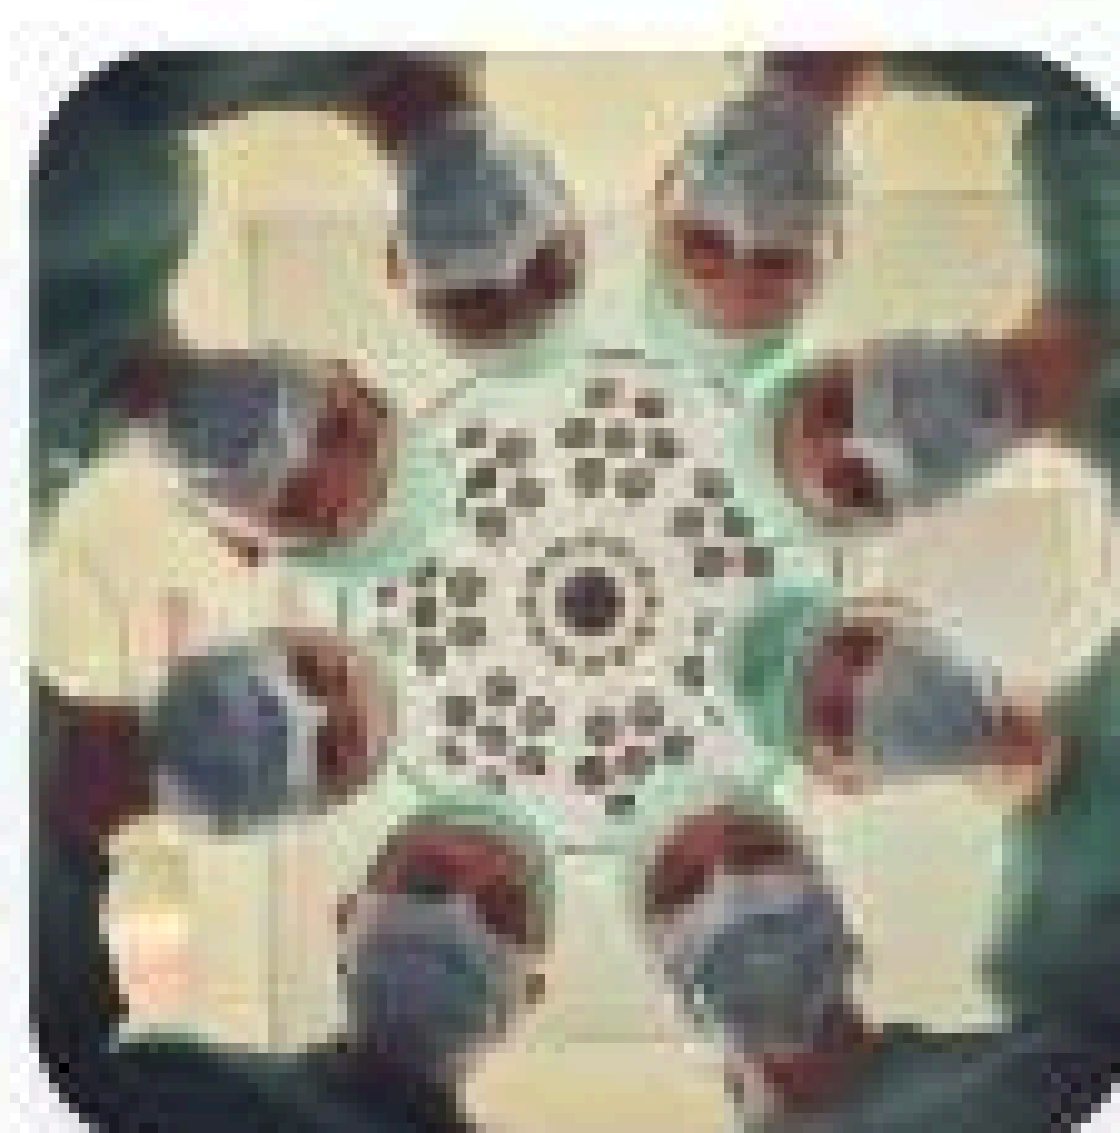

We observed that most candidates failed not because of a lack of knowledge, but due to a lack of **"structure"**. MRCOG Part 3 is a performance. Like any performance, it requires rehearsal, timing, and critique.

**Personalized Trajectory**

No two candidates are the same. We tailor the path.

**Station-Focused Mastery**

Every station is a module; every module is a win.

CURATORS OF SUCCESS

The Minds Behind Elite MRCOG

Crafting doctors into confident specialists through dedicated, one-on-one mentorship.

Dr. Uma Kamat

FOUNDER & LEAD MENTOR

A practicing physician in Goa with a vision to simplify medical education. Her teaching philosophy is built on 'The Support System'—ensuring no candidate feels alone in their MRCOG journey.

Dr. Ankita Joshi

STRATEGIC MENTOR

Consultant at Goa Medical College. Dr. Ankita specializes in transforming complex clinical tasks into repeatable templates, having aced the exam on her first attempt through innovation.

**Dr. Niranjani
Rajachander**

CLINICAL MENTOR

From student to mentor, Niranjan's journey is a testament to the Elite MRCOG methodology. She focuses on confidence-building and structured communication competencies.

**Precision**

We don't study more; we study smarter. Focusing exactly on Royal College standards.

**Real-Time**

Recalls and station recordings that reflect the current exam pulse.

**Empathy**

We understand the burnout. Our mentors are your emotional anchor.
